Catalog Discount Exclusions

School Health Corporation may offer special discounts to organizations meeting specific criteria. These discounts recognize existing or anticipated annual purchase volume and are intended for customers seeking a mutually beneficial relationship.

Historically, we have provided all of our customers with common list prices. Thus, your discount will be based upon the same list price offered in our catalogs, websites, and other marketing publications.

Certain products are excluded from our blanket discounts due to various reasons including but not limited to manufacturer restrictions, special pricing already in place (sales or promotions), unknown shipping costs (due to weight or size variances), etc.

The following items in the 2016/17 School Nurse, Sports Health, EnableMart and all other Catalogs are excluded from a catalog discount:

- Medical Recordkeeping Software and other software products
- Injury tracking software
- Prescription (Rx) products
- Customized Kits
- Products denoted by Exclusive icon
- Gatorade products & Gatorade Performance Series products
- EnableMart Software
- Braille Paper
- Current "Special Promotion" items already offered at a discounted priced. School Health runs sales throughout the year. Our catalogs contain numerous promotions denoted by the Special Offer icon. Also look for seasonal savings offered in our spring and Back-to-School flyers.

The following **capital equipment products** are excluded from your standard catalog discount. These items may require special setup, in-service education, and may have varying freight costs due to weight. Please call us for special discounts on these products. In some cases, the discount on these items may be greater than your standard discount:

- Furniture items and Appliances listed
- Vision and Hearing screening equipment
- Automated External Defibrillators (AED's)
- Braille Embossers
