RE: **2nd Renewal of NCEPC Furniture Bid No. 2019-02B**

The 1st renewal term of this bid is expiring on 12/31/2020. All 12 vendors on the 1st renewal for the 2020 year were contacted to determine if they were agreeable to renew the bid for the 2021 year. Below is the summary:

- Six Vendors (Claridge, Concepts, Indoff, Parron Hall, School Specialty and School Outfitters) agreed to renew for the 2021 year with no price increases.
- Five Vendors (Arenson, Culver-Newlin, Dave Bang, Sierra School and Virco) have agreed to renew for 2021 year with price increases. All price increases have been substantiated with pertinent backup documentation from their suppliers.
- One Vendor (Troxell) was only awarded (1) manufacturer (Correll) on the percent off discount and no line items. They were the only vendor to bid on this manufacturer and the only vendor that didn't agree to renew, so they are being removed from the contract.

  All price increase requests are itemized on the attached spreadsheet.

Additional Information:

- **Line10c -** Virco CZ18: Duplicate of line item 9c and has been removed.

- **Line 130d -** Wabash Valley Children's alphabet picnic table: on the original bid, Dave Bang bid $955.00 each, however, the bid administrator mistakenly put $728.00 each on the bid. The error has been corrected and the 5% increase applied.

- **Lines 180, 215 & 216** - School Specialty is no longer a distributor for ECR4Kids products and requested to be removed as the awarded vendor on these three (3)

line items and as the awarded vendor on the Percent Off award.
Line 180: ELR-20701 3-tier metal rolling cart, ECR4Kids no longer manufactures this cart. Line item will be marked as discontinued.
Lines 215 & 216: ECR4Kids no longer manufactures bean bags. Line items will be marked as discontinued.
Percent Off Award for ECR4Kids: Concepts School & Office Equipment was the next highest percent off discount and agreed to honor their percent off bid for the 2021 year. Recommend reawarding this item to Concepts School & Office Equipment.
Line item 192: Childcraft model #1464416 has been discontinued and replaced with Childcraft model #20101625 at the same price.
Line item 195: Childcraft #1687692 has been discontinued with no replacement.

RECOMMENDATION:

It is respectfully requested that the Board approve the 2nd renewal of Bid No. 2019-02B to 11 out of the 12 current vendors for the renewal term effective January 1, 2021 – December 31, 2021 as presented.

Hi Perry,

I should've been more clear. It is the NCEPC bid pricing I was speaking about.

Found another discrepancy. Line 168c, Percentage change says 2.5% but it is only 2.0%. Please advise.

Teri,

On 5 drawer laterals, only 4 drawers received the front to back hanging rails.

H795.L/H919492 (4)

The (4) refers to how many sets of front to back rails are included.

Most people don't use front to back rails on the top drawer because they can't see that high.

So pricing should be correct on spreadsheet.

Hi Perry,

I reviewed the documents you provided. On the spreadsheet for the 2021 pricing, I am questioning the both list prices on line 171D, shouldn't the 2020 list price be $2,667 and the 2021 list price be $2,735 due to having to add the price of the H919492 for each drawer? Please advise.

Thank you,

Good Afternoon Teri,

Hope all is well.

This email is requesting a price increase for HON products on the NCEPC Bid 2019-02B as a result that HON will have a price increase effective January 1, 2021.

I have attached a pricing matrix reflecting the current 2020 pricing and the 2021 pricing with percentage increase by line item. Also attached is documentation from HON along with List Price sheets for both current 2020 year and upcoming 2021 year pricing.

*When calculating the price for HON lateral files, I have added in the cost of the hanging file racks for each.

Let me know if you have any questions or further explanation.

Happy Thanksgiving,

Perry Arenson

HI Teri,

Thanks for the email – yes, we intend to renew this bid and we thank you for the partnership. We have an edit to (3) line items we were awarded from Smith System. We didn't increase the sell price on the Renewal 1 of this bid, but the manufacturer has increased their list price twice now (2019 and 2020) and as a result, we must increase the sell price. I have attached the catalog to show their current list price and I have included our pricing below. All other line items will remain the same and we have no changes in our percent off awards.

#25212BUTCHER $1308.75 for all quantities

#25214BUTCHER $1327.50 for all quantities

#25216BUTCHER $1346.25 for all quantities

I do have one question – if a dealer is no longer in business and they were awarded items on this bid, will those be open for us to bid on them?

Thanks so much, please let me know if you have any questions! Have a great holiday weekend!

Hi Teri,

I show that line 130C is $728 but 130D is $955. Here is what I had written in on the original bid. Let me know if you have any questions but I do believe the spreadsheet is correct. Thanks!

Hi Alex,

On the attached pricing sheet, Line 130d is incorrect. The current pricing on this line is $728.00 not $955.00 as listed on the spreadsheet, so the 2021 price should be $764.40. Please send the corrected spreadsheet.

Thank you,

Hi Teri,

Thanks again for reaching out on the 2021 renewal for the NCEPC bid. We are absolutely interested in renewing for next year but Wabash does have a 5% increase in their costs that we will need to pass along with the bid. Please find the attached letter from Dave Bang Associates, Wabash Valley Manufacturing, as well as a spreadsheet showing the new pricing. We greatly value our relationship with the NCEPC and hope to work with you all next year.

Please review and let me know if you need anything further from me at this time.

Thanks so much!

Re: NCEPC 2019-02B Furniture Bid

Dear Teri:

I am writing to request a price increase for the NCEPC 2019-02B Furniture Bid. Wabash has experienced an increase in the cost of raw materials and shipping costs and as such, they will require 5% increase to the cost of the items on this bid, which we would request to pass along. I am attaching a letter from Wabash Valley Manufacturing regarding this in addition to a spreadsheet showing the proposed pricing for the 2021 calendar year. Dave Bang Associates greatly appreciates the business from our NCEPC partners.

Please review and let me know if you have any questions. Thanks!

Sincerely,

Alex Beron

We're working on the renewal of the furniture bid and one of the vendors (Dave Bang) is indicating there was an error on the pricing on Line 130(d). When we took over the bid, Janay's recap showed the price was $728.00 and Dave Bang's paperwork shows their submitted price was $955.00. I don't have copies of the original bids, only the recap. Can you check the paperwork in the Poway bid files and let me know? This was for the 2019 bid. Thanks!

Hi Theresa,

Thank you for your patience on this matter. We received Interior Concepts official price increase this morning. Please see the attached email that states they will have a 5% price increase on their product lines going into 2021.

Given the official announcement from Interior Concepts, we'd like the NCEPC to consider allowing a 5% increase for Lines 175 and 176 for the 2021 Renewal. Please let us know once the NCEPC Board has come to a decision on this price increase.

Additionally, we confirm that all percentages on the Percent Off Manufacturer's Published Catalog Pricing will remain the same, but for all orders utilizing the NCEPC Bid we will use the latest 2021 Price List for each awarded manufacturer.

I hope this helps, and please let us know if you have any questions. Have a great weekend.

Hi Patrick,

After reviewing the manufacturer documents you provided, there is one manufacturer's (Interior Concepts) documentation that states an **estimated** 6% increase. Being that there are (2) line items (175 & 176) on NCEPC Bid 2019-02B that were awarded to Sierra School Equipment for Interior Concepts' products, estimated price increases are not acceptable. Please review the following options and let me know what you decide no later than Friday, 10/30/2020.

1. Provide Manufacturer documentation of actual price increases including new price(s) or percentage increase(s). Manufacturer documentation containing references to future price increases of undetermined amounts are not allowed and will not be accepted.
2. Hold current bid price(s). Vendors may request price increase(s) during the term of the bid at such time the vendor is able to provide Manufacturer documentation as outlined in option 1. NCEPC Board approval is required prior to price increase(s) going into effect. Please keep in mind, NCEPC Board meetings are held on the first Wednesday of every other month in February, April, June, August and October. The December meeting date varies.

Please acknowledge that all the percentages listed on the percent off manufacturer's published catalog pricing awarded to Sierra School Equipment are to remain the same.

Let me know if you need additional information.

Thank you,

Hi Theresa,

Thank you for your patience on this matter. We received Interior Concepts official price increase this morning. Please see the attached email that states they will have a 5% price increase on their product lines going into 2021.

Given the official announcement from Interior Concepts, we'd like the NCEPC to consider allowing a 5% increase for Lines 175 and 176 for the 2021 Renewal. Please let us know once the NCEPC Board has come to a decision on this price increase.

Additionally, we confirm that all percentages on the Percent Off Manufacturer's Published Catalog Pricing will remain the same, but for all orders utilizing the NCEPC Bid we will use the latest 2021 Price List for each awarded manufacturer.

I hope this helps, and please let us know if you have any questions. Have a great weekend.

Hi Patrick,

After reviewing the manufacturer documents you provided, there is one manufacturer's (Interior Concepts) documentation that states an **estimated** 6% increase. Being that there are (2) line items (175 & 176) on NCEPC Bid 2019-02B that were awarded to Sierra School Equipment for Interior Concepts' products, estimated price increases are not acceptable. Please review the following options and let me know what you decide no later than Friday, 10/30/2020.

1. Provide Manufacturer documentation of actual price increases including new price(s) or percentage increase(s). Manufacturer documentation containing references to future price increases of undetermined amounts are not allowed and will not be accepted.
2. Hold current bid price(s). Vendors may request price increase(s) during the term of the bid at such time the vendor is able to provide Manufacturer documentation as outlined in option 1. NCEPC Board approval is required prior to price increase(s) going into effect. Please keep in mind, NCEPC Board meetings are held on the first Wednesday of every other month in February, April, June, August and October. The December meeting date varies.

Please acknowledge that all the percentages listed on the percent off manufacturer's published catalog pricing awarded to Sierra School Equipment are to remain the same.

Let me know if you need additional information.

Hi Everyone,

First, thanks for your patience – I did indeed need that vacation!

We estimate that we will have a 6% list price increase for 2021. We plan to provide an official announcement mid October to enable more than 60 days' notice before the increase takes effect.

Patrick, does this provide what you need for this bid?

Hi Teri,

Good morning and my apologies for the confusion. The Civitas Series incorporates both Chairs and Stools, with the Stool classification typically applying to the 25" and 30" option. Here are some images for reference:

ZUMA® Series – *4-Leg Chairs and Stools with Civitas Frame*

ZUMA Series 4-Leg chairs and stools with Civitas Frame feature stylish legs for a casually chic and inviting effect, a tubular steel frame and a one-piece, molded polypropylene shell. The ZUMA bucket offers a flexible backrest for long lasting comfort.

CZ18
18" seat height

CZ18C
18" seat height with casters

CZ25
25" seat height

CZ30
30" seat height

The CZ18 pricing of $46.31 is valid for both line items 9c and 10c. The same is true for the ZBH price of $8.82 for line item 92, which also appears on line item 95c.

I have updated the spreadsheet to reflect line item 92.

Please let me know if you need anything else on this.

After reviewing the new pricing sheets, I have (2) issues on the NCEPC Bid 2019-02:

1. On the current line 10c: the description says 18"H stool, Model number CZ18, unit price $77.62, however, the new unit price is $46.31. The CZ18 is a chair (also on line 9c), not a stool. Does Virco even have a Civitas 18"H stool? If so, what is the correct model number?
2. Missing line 92 on the new price list for Virco ZBH.

Please advise.

Thank you,

Teri Svacina

Good morning,

Thank you for your willingness to extend both bids for an additional year with a 5% price increase over the current bid. Per your email below, you had not finalized your 2020 price list. I need you to provide the new price list for 2020 for both

bids and, per language in the Information for Bidders on both bids, you are required to provide written documentation from the manufacturer to substantiate the requested price increase. Being that you are the manufacturer, you would need to provide written documentation from your suppliers to substantiate your requested price increase.

Please provide the requested pricing and documentation by Friday, October 30, 2020 at 12:00 p.m.

Thank you,

Teri Svacina
